If your payment is not successful, here are a few steps you can take:

1. First, check if there is an issue with your OTP. If so, please contact your bank for assistance.
2. Make sure that you have entered your card details correctly.
3. Confirm that your card is a debit card, as credit cards are not supported.
4. Ensure that your card has sufficient balance to complete the transaction.
5. If you need further assistance, please reach out to our call center at 0112101010.
